Dear Business,

Thank you on behalf of the Lindsborg Arts Council for your amazing support throughout the years with our organization's events and outreach, but especially your continued involvement with our annual Chocolate Lover's event. With your help, we have been able to award two scholarships annually to Smoky Valley High School students interested in studying the arts.

Typically, we host a lavish event joining our community together over decadent chocolates, delicious food, and local art to view. However, in the light of last year's developments with COVID-19 and our continuous effort to keep our members and guests safe, we're going all virtual with a Facebook Live event!

This year we would like to ask for your support in helping us create amazing experience baskets for our patrons to bid on. We are asking for a donation from each business at one of the levels of support below; a cash donation, an item to be included in an experience basket, or both would be great appreciated! All participating businesses will receive recognition in the printed program.

We greatly appreciate your support at any level!
